

The Aubergine Experience is designed to ensure that you enjoy the best of South Africa's cuisine with the best of its wines. Consequently our wine list is structured to complement the uniqueness of Harald Bresselschmidt's culinary creations.

Not only does this mean that all of South Africa's wine growing regions and grape varieties are represented but the hallmark of our cellar is that a wine only earns inclusion if it reflects genuine authenticity, a distinctive personality and a true sense of place or '*terroir*'.

In our listings, we have refrained from accompanying each entry with a detailed description because we firmly believe each wine to be a living subject whose character changes both with time and with the food with which it is paired. We will gladly make suggestions as to which wines might best suit the dishes you select and your personal preferences.

In our wine selection we aim to showcase South Africa's emerging icons as well as reveal some of her best kept vinicultural secrets. If our cellar has a distinctive character, it is that it is more *Old World* than *New*; more classic than contemporary. That said, modern-day pioneers determined to reinvent the glories of the past most definitely have a place in our collection.

We also serve a number of wines by the glass. In addition to featuring many of the mainstays of our collection, we also champion the latest offerings from South Africa's newest generation of winemakers. Look out for our very own Aubergine range of wines, each finely crafted especially for us by top South African winemakers.

Our cellar is both broad in variety and deep in vintage. Wines are stored in a temperature-controlled cellar to ensure optimal maturation. The cellar is housed in our specialised wine and food pairing venue, **Auslese**. Please enquire about hosting private tasting dinners, lunches and soirees at this exclusive venue.
