

# WINE LIST

ELLERMAN HOUSE

RELAIS &  
CHATEAUX

# INTRODUCTION

Thirty years ago, we set out to create a wine collection of unparalleled standards and quality. Each of the 9,000 bottles, housed in our professionally maintained cellars, represents the very best wines from the world-renowned estates and vineyards of the Western Cape. We invite you to explore our three climate-controlled wine cellars and discover for yourself some of the rare and special vintages we currently list.

We also have the revolutionary Coravin and Le Verre de Vin wine preservation systems. This allows us to pour premium still and sparkling wines by the glass without compromising on quality, giving you the widest choice of excellent wines. Our attention to detail has been recognised by Diners Club in their Wine List competition, which has given us the highest accolade from 2009 - 2019 consecutively - a Diamond Award, and in 2012 we were recognised by Food24 as having "The Best Long List" in South Africa in their independent wine list competition.

Our selection of rare and vintage wines, some as old as 1982, guarantee memorable moments at the table, especially when combined with our exceptional cuisine. We are always on the lookout for new and exciting wines. We source wines from both established and emerging vineyards as well as from prestigious wine auctions, such as Nederburg and the Cape Wine Makers Guild.

To continue with our passion and dedication to South African wines and in the interest of only listing wines when they are at their optimal drinking, we have dedicated sections of our cellars to the investment and maturation of young vintages.

# WINE GALLERY

We invite you to explore our Wine Gallery.

More like a work of art than merely a cellar, the wine gallery provides sophisticated storage in state-of-the-art wine racks and temperature controlled subterranean cellars for a 7500-strong collection of vintage and rare wines.

The handcrafted nature of South Africa's finest wines and the organic shape of grapevines are reflected in the use of natural, earthy materials like wood, granite and metal, carbon polished, sculpted, carved or left raw to reveal the innate, intrinsic beauty of each element. Besides being an inspiring, experiential space in which to taste wine, the gallery includes an interactive multi-media wine library, maturation cellars for white and red wines and a brandy tasting lounge. A special feature is a Champagne Cellar where you can find rare and special vintages of Dom Pérignon, Moët & Chandon and the best of South African Méthode Cap Classique.

The Wine Gallery aims to bring life to South Africa's 350-year-old heritage of winemaking, providing an environment for tasting and learning about local wines as intriguing and inspiring as the wine itself. The Wine Gallery is more than a cellar, it is the perfect place for a wine dinner or daily wine tasting. Please check with our concierge to confirm availability.

# CAPE WINEMAKERS' GUILD (CWG)

Innovation, benchmarking, and the sharing of knowledge spanning three decades of winemaking.

excellence, is the proud accomplishment of the Cape Winemakers Guild, which celebrates its 41<sup>st</sup> anniversary this year.

The Guild, an association of some of the finest winemakers recognized for their high standards of craftsmanship, has evolved over the past 36 years into a body of 47 members who jointly represent the pinnacle of South African wine achievement.

It all began on 24 August 1982 when eight enthusiastic winemakers with a singular vision got

together to establish the Cape Independent Winemakers Guild. A ground-breaking association of independent winemakers, the members had one objective in mind: to pool their resources and knowledge to craft great South African wines that would stand out amongst the best in the world. From the onset, knowledge and sharing was the major focus of the Guild and members would taste wines from around the world and compare them to their own wines. Each expert in their respective fields, Guild members have played a significant role in the development of the South African wine industry. From the making of champion port-style wines, the establishment of Méthode Cap Classique and Cape blends, to the opening of new, cooler wine regions, the introduction of sustainable farming and environmentally responsible wines, Guild members have always been at the forefront of innovation.
