

BRAT

BRAT POUR

Our focus on a single winemaker's wines.

In the northernmost reaches of Lombardy, the valley of Valtellina runs parallel to the Swiss Alps. The Sandro Fay estate was established in 1973 with vineyards primarily concentrated in the Valgella subregion in the east. Now run by Sandro's children, Elena and Marco, they work with the grape variety Nebbiolo, known locally as Chiavennasca, at altitudes ranging from 350 to 900m on the steep terraced slopes of the valley.

The 'Costa Bassa' is the regional wine, its name referring to the vineyard's position at the lower slope. It is fresh and elegant, showing the typicity of the region. The single-vineyard 'Carteria' shows more intensity and concentration undergoing over two years ageing before release, while the 'Ronco del Picchio' is made in the *sforzato* style where, similar to amarone, the grapes are dried for several months before fermentation. It is a rich and powerful wine but still retains finesse.

We are delighted to offer the following cuvées:

Sandro Fay, Nebbiolo, Superiore, 'Costa Bassa', <i>Valtellina, Italy 2020</i>	16 / 80
Sandro Fay, Nebbiolo, Valgella 'Carteria' Riserva, <i>Valtellina, Italy 2018</i>	23 / 116
Sandro Fay, Nebbiolo, Valgella 'Roncho del Picchio', Sforzato, <i>Lombardy, Italy 2021</i>	25.5 / 128
Flight of 75ml of each cuvée:	41

SPARKLING

Dominio de Requena, Cava, Brut Zero, <i>Valencia, Spain N.V.</i>	40

Emidio Pepe, Montepulciano d’Abruzzo, ‘Branella’, <i>Marche, Italy 2020</i>	240

SHERRY

While sherry is often ignored by the larger wine-drinking populace, even an entry-level fino from a great wine maker shows an astoundingly nuanced and complex character. In today's market where many of the world's finest wines have become prohibitively expensive, sherry still represents one of the wine world's great bargains, as well as being one of the most versatile wines when it comes to food.

UNDER THE FLOR

Flor is the layer of yeast that lies on top of some sherry wine while they age in barrel. Fino and Manzanilla spend their entire maturation under flor, whereas Amontillado and Palo Cortado begin their lives under flor, being exposed to oxygen once it breaks. These differences make for a diverse range of sherry styles. The flavours imparted are unlike anything else in the wine world, saline in character with notes of sea spray, almonds, and mediterranean herbs.

Equipo Navazos, Manzanilla En Rama, 'I Think', <i>Jerez, Spain N.V. (375ml)</i>	47
Lustau, Amontillado, Almacenista 'José-Luis Gonzáles Obregón', <i>Jerez, Spain N.V. (500ml)</i>	79
Lustau, Amontillado, Almacenista 'Sobrinos de Antonio Caballero', <i>Jerez, Spain N.V. (500ml)</i>	83

OXIDATIVE

Sheries that are aged with gentle and controlled exposure to oxygen, in the absence of flor, are typically richer in texture, displaying flavours of walnuts, leather, bitter chocolate, and exotic spices.

Lustau, Oloroso, Almacenista 'Pata de Gallina', <i>Jerez, Spain N.V. (500ml)</i>	79
Equipo Navazos, Oloroso (PX), 'La Bota 74', <i>Montilla, Spain N.V. (750ml)</i>	124

SWEET SHERRY

Sweet fortified sheries are among the most decadent dessert wines in the world, often made using grapes dried in the sun to concentrate their luscious flavours.

Cesar Florido, Moscatel 'Pasas', <i>Jerez, Spain N.V. (750ml)</i>	84
Maestro Sierra, Amoroso, <i>Jerez, Spain N.V. (750ml)</i>	86
