For parties of 6 or more, an automatic 18% gratuity will be applied to your bill. We cannot split bills but we can do one bill for food and one for alcohol.

Our wine selections are either minimal-intervention, organic and/or biodynamic, and/or natural. Most of the winemakers we support work in small production with a commitment to quality and sustainability in their practice. Please feel free to ask your server for more information.

Please remember to drink responsibly -- and never drink and drive. We want you to enjoy your night out and would be happy to call or hail a taxi for you.

Love,

All of us at Midfield Wine Bar & Tavern
