A note on our wines at 10 William Street

## Free Wine

Free Wine - from the what is expected, from what is fashionable, from big business, from what has been & from what is old-hat.

Our collection of wine aims to be great. Great wines to drink, great to talk about, important expressions of where they are made, what they are made of and who made them. Our friends: some new, some old.

Some of the wines represented on this list are old friends, they are wines we will continue to love as we watch their evolution.

Some of the wines on our list are new friends, slightly edgy and off-piste, wines that propel us into the future.

There is something interesting to say about every wine on this list and, in turn, each wine has something interesting to say back.

Salute
