

“What's clever about this excellent list, there's something for everyone and guaranteed delicious drinking.” *Gourmet Traveller Wine List of the Year Awards*

**\*\*Winner - 2019 NSW SOMMELIER'S AWARDS - Best NSW Wine List in a Sydney mid sized venue.**

One Penny Red focuses in sourcing wines that complement the contemporary style of its cuisine. In keeping with our own sustainable pursuits we enjoy working with growers who make wine with integrity and show respect for their land. In many cases the winemaking approach in the vineyard is sustainable, practicing organics and biodynamics. These wines are inevitably labour intensive and made by hand, some by conventional means, others by adopting a minimal intervention approach. It is a carefully picked list of what we believe goes well with our menu and importantly, tastes good too! Mostly, these wines are fresh and alive, and shine when being shared in good company.

We hope you enjoy this hand crafted selection and take away the experience of trying something delicious and accessible. The below table of contents will help you find your favourite drop.

Cheers

This chardonnay is bright, citric and floral with a fresh & direct presence. You can feel and taste the limestone soils in the mouth where the saline infused flavours linger on.*

### **\*\*The wines of Piedmont**

*Red wines reign supreme in this region with many great indigenous grape varieties. Dolcetto and Barbera are both dry and generous but Piedmont's claim to wine fame is the Nebbiolo grape, a noble red variety that some of the greatest wine in Italy. The proof of Nebbiolo's nobility is its wines: Barolo and Barbaresco commonly known as the 'king & queen' of red wines.*

### **\*\* Domaine de la Grange, Languedoc-Roussillon**

*Laurent Vaillé has achieved what others thought impossible. After purchasing his land in 1989 it took dynamite and bulldozing to clear twice the amount of limestone, boulders, and glacial scree that is found in neighbouring vineyards. The result was he found a great terroir for his grapes and now his wines have cult status. After he sourced his shiraz cuttings from legend Gérard Chave (Hermitage) and his Cabernet from Domaine Trévallon (Provence), Laurent's south facing vines produce very low yields resulting in powerful, alluring wine.*

### **\*\*Rioja, Spain**

*Rioja occupies relatively high ground (300-650 mtr) in the north of Castile, which crosses into the lower Basque country, so there are 'many Riojas' to discover and interpret. For example, la Rioja Alta grow their fruit on the high slopes that deliver a wine full of Mediterranean orchard fruit aromas including nectarines and pomegranates.*

### \*\* *Ornellaia - Bolgheri, Tuscany*

*Winemaker Axel Heinz, Le Serre Nuove dell'Ornellaia 2016 benefits again from an exceptional vintage that highlights all the features of Bolgheri's exceptional climate for merlot & cabernet sauvignon. Dark in colour, the wine shows a charming nose of perfectly ripe red fruit and spices. The palate is rich and well-rounded with beautiful velvety-textured coating tannins. A wine that combines attention to detail with immediate drinking pleasure.*

### \*\* *Bordeaux, France*

*Red wines from Bordeaux are medium- to full-bodied with aromas of black currant, plums, and earthy notes of wet gravel or pencil lead. When you taste the wines, they burst with mineral and black & blue fruit notes that lead into prickly, savoury and mouth-drying tannins. Don't hesitate to ask about these wines.*
