**August 2022**

# ***The Wines of North America Five Course Degustation Dinner***

***Wednesday 31 August & Thursday 1 September 2022***

*The North Americans have created one of the best “new world” regions on the planet, but it can be difficult to source their wines in Australia. So, the team at Annata has created a superb North American wine and food degustation event that will bring you ten of the best, delight your palate and inform you for a great night out.*

*With a land mass of approximately 2.7 million sq km; from New York State in the east to California in the west, Canada in the north and Mexico in the south; there is a mind-boggling range of different terroirs, winemakers, styles, and grape varieties to explore. We will savour some of their superb wines and enjoy vigneron stories as we celebrate this great diversity. We will taste their best sparkling, Riesling, Pinot Gris, Chardonnay, Pinot Noir, Zinfandel, and Ice Wine varieties that have made them famous.*

*Our event will be curated by manager Cisco Ramirez and hosted by wine aficionado, **Justin Waters**. Justin graduated from the prestigious University of Adelaide Wine Marketing course in 1991. He then studied at the Wine and Spirit Education Trust, London in 1993 completing their “how teach a systematic approach to wine tasting” programme before establishing his successful wine importing business. His deep knowledgeable of North American wines together with a sharp wit and warm engagement style, make Justin the perfect host for a great evening.*

*Chef **Jordon Garcia** will match each superb wine with a fabulous five course menu based on his interpretation of iconic North American cuisines. There will also be an American snack to start and petit fours to finish. Jordon loves creating new culinary delights from around the world for our diners to explore. It's going to be a great night!*

***Bookings now open - \$199pp all inclusive***

***Click the QR Code for more Annata information***

# Annata Premium Wines by the Glass

## AUGUST 2022

Annata uses Coravin Technology to protect our wines from oxidisation. This allows for a broad range of wines for our guests to enjoy by the glass. Whether seeking great value, diverse variety, or an opportunity to enjoy some delicious premium wines without having to buy the bottle, Annata has you covered. Our sommelier refreshes our wine list every month with new choices including two premium whites and two premium reds by the glass. This month's selection of premium wines is listed below.

### 1. 2021 By Farr Chardonnay, Geelong VIC - \$34 by the glass

*The trademark characteristics of this iconic Victorian chardonnay wine are understated power and length with a mineral finish. It is simply stunning. The wine has a great fruit expression which is perfectly integrated with French oak. The flavours are exquisitely balanced, but it also has tension and drive. The palate is fine but firm, with great acidity, texture, and length. By Farr was recently named Australia's Number #1 Winery.*

### 2. 2019 Domaine Bois de Boursan Chateauneuf du Pape Blanc - \$35 by the glass

*This glorious wine is predominantly Grenache with a little help from Mourvedre which gives it lots of body. Textured, salty, floral and harmoniously fruity this is a stunning wine. Winemakers Jean and Jean-Paul Versino decided to pick this vintage a little earlier than the norm for a brighter acidity, firm fruit flavours and layered spice. Their Domaine is worked organically without the use of chemical fertilizers or pesticides.*

### 3. 2015 Domaine Parent Monthelie, Pommard - \$39 by the glass

*With a rich ruby colour, the nose has a powerful expression of ripe cherries. There are some floral peony aromas and evolving spice with silky tannins. The palate is fleshy, long, and simply divine. Anne and Catherine Parent are the sister winemakers representing the twelfth generation to work on the family estate. 2015 was a great Burgundy vintage. Ann recalls the grapes for this wine were near perfect before being 100% destemmed, fermented in an open vat with pigeage during fermentation. The wine was 16 months in the making, with 30% French oak.*

### 4. 2016 Chateau Saint-Georges, St Emilion, Bordeaux - \$27 by the glass

*Having a deep red colour tending to hints of purple, this wine is superbly intense and complex. It has notes of cassis, blackberry and blueberry fused harmoniously with notes of sweet spices like nutmeg and cloves. The French oak ageing provides notes of vanilla, and sweet tobacco. A dense wine with tannin structure that combines the elegance and concentration. The finish is a wonderful mixture of violet and forest fruit. It's a blend of 80% Merlot, 10% Cabernet Sauvignon, and 10% Cabernet Franc.*
