

The thoughts behind the Wine List

"Our wine menu offers a wide selection of wines. I have wanted to make sure that there is something for every taste; you will therefore find classic wines from wellknown districts in exciting combination with more distinctive wines with great personality and authenticity.

We'd love to help you compose a wine menu based on your personal preferences, just as we will gladly help you choose the wine that best complements your food – so do not hesitate to ask."

Niels Buch Gormsen,
Sommelier at Nordisk Spisehus

We take precautions for sold-out wines and vintages
