

Tribeca Grill

welcome to the tribeca grill. our award winning wine list is arranged by grape variety and then region. the list is international with a focus on burgundy, california and the rhône. many vertical listings of california wines have come directly from the producers.

our châteauneuf du pape selection is the largest in the world. we feel these wines are among the best values in the market today. often produced from old, low yielding vines, the wines have concentrated and complex flavors that complement the robust cuisine that tribeca grill is known for.

we have many rare wines in our collection. they include magnificent aged white and red burgundy, red bordeaux and rhône wines. the best of the best are featured in our 'wines of the century,' something to consider on a special occasion.

all of our wines are kept in temperature-controlled cellars at 58 degrees. some, including most red wines, may need a few minutes to warm up in the glass once they are opened. we have the utmost confidence in our suppliers of these wines, however they are presented in "as is" condition. please understand that there can be bottle variation with wines that have been aged for long periods of time.

producer spotlight

saint préfert - famille isabel ferrando

Isabel Ferrando is now considered in the very top echelon of winemakers not just in Châteauneuf du Pape, but in all of France. We are thrilled to offer this collection of her wines and are proud that we have been buying her wines for our list since the very first vintage that she produced -2003. With Herni Bonneau as a family friend and mentor, Isabel's began producing compelling wine right at the beginning. Since then, she has improved and changed over the years and we followed her every step of the way.

We have several of her single vineyard wines from Saint Prefert. August Favier is dominated by Grenache and a forward, supple style while the Charles Giraud cuvee is more structured due to the high percentage of Mourvedre. Her Colombis under the Isabel Ferrando label (now called Famille Isabel Ferrando since her daughter Guillemette has joined her) is 100% Grenache made from old vines in sandy soils. The wines have always been organic and since 2019 are biodynamic.

Her last vintage of August Favier and Charles Giraud was 2019. In 2020, she blended these cuvees together along with her village Châteauneuf du Pape to create one cuvee which we are featuring in the first vintage- 2020. She also made the very rare F601 starting in 2018 from 100% Cinsault from vines planted in 1928. This is a tiny cuvee to try for a special occasion. There is nothing else like it in Chateauneuf du Pape. Isabel is still changing and improving and we are excited to see what she has in store for the future.

wines of the century

these wines are widely considered some of the greatest produced in the last 120 years. there certainly are others, but we believe the wines below are true legends and will certainly provide a rare tasting experience

château pétrus, bordeaux 1990	5000
incredible power and longevity for a wine that is 100% merlot. just now approaching its window of drinkability, this will certainly age for 20-40 more years. the 1990 vintage is as great for petrus as 1961 or 1947.	
château latour, bordeaux 1961	4700
the longest lived first growth in perhaps the greatest year of the century. will last for 20-30 more years, perhaps longer.	
château margaux, bordeaux (château bottled) 1900	9200
the first vintage of the century produced a large crop of extraordinary quality. a wine of enormous ageability that is still pleasureable at 110 years old. the château still maintains that it is one of the greatest wines they have ever made.
