

GRAPEVINE

As a wine shop for well over 20 years, wine is at the heart of everything we do in Grapevine. We are proud of our wines, many of which are directly imported from small, quality-focussed wine growers from all over Europe. Importing directly, combined with an enlightened pricing policy that rewards exploration of the list, means that we are comfortable in saying that we have one of the best and most reasonably priced wine lists in the country. If you have any questions, please ask a member of staff. Enjoy!
